In Memoriam ...

Our hearts are heavy with the loss a beloved member of the Club last month. Doug Wittmeyer was known by everyone. He was NRA certified in numerous disciplines, our Range Training Officer, responsible for the Saturday night Family Nights, and helped anyone and everyone on Thursday and Sunday morning open shoots. He was a skilled shooter, master woodworker (donating many pieces to the Club for raffles), and everyone felt safe when they were on the range when Doug was range officer. And he was also a great trap shooter. Our deepest sympathy to his children, Brianne and Peter, who are also active Club members. Doug will be missed by all who knew him. He contributed so much over his many years at Allied.

Workers are needed for the floor raffle, eight ticket sellers, entry table, basket raffle workers, and tear-down/clean up crew afterwards.

Tickets are available now. Please help us sell tickets – someone is at the Club on Tuesday evenings during trap. Joe Truty, Joanne Ianello, and Gary Wessel also have tickets. And they are available at the monthly meeting.

Donations for the basket raffle are still being accepted! Thanks for your help!

WHERE IS YOUR EXPERTISE?

As we begin to work on several projects at the Club in the upcoming months, where can you help? We are in need of a mason to repair some missing bricks in the kitchen wall. We will also need demo work done in the bathrooms, a plumber for putting in the new fixtures, and general help around these projects. Stay tuned for notices when the work will begin. If you are an expert in any area, let the Board know so you can get some work hours in and the Club can save money on these projects.

FAMILY NIGHT IS BACK!

Everyone is welcome to attend the family nights at the Club. Join the pistol shooters on the range at 7 p.m. for an hour or so. Then enjoy food and conversation (everyone please bring a dish/snack to pass). There are two opportunities:

Fridays, September 12, October 10, November 14 – hosted by Bill Stetz and Joann Scinta

Saturdays, September 27, October 25, November 29 –hosted by Brianne Wittmeyer

Range rules and range fees apply. These are always on the second Friday and last Saturday of the month. Join us.
