Chef Lynette's News

Merry Christmas! Our Christmas Party will be on Wednesday, December 10, after a shortened meeting.

Thank you to all the wonderful volunteers for set up, bartending, serving and clean up. I do need some cooks for that day at 2 pm at the Club. Please call or text me 716-432-3500. Also, it's not too early to look for volunteers for the High School Shoot on SATURDAY May 30. We need help from 7am-12 noon and from 11am-3pm. Those teens are REALLY hungry! The ATAs this year are Saturday, June 20, Sunday, August 2, and Sunday, September 6. Help is required from 7am-11am and 11am-4pm. I would like to have another Allied dinner; if you are interested in helping me pull that off, I would take suggestions on what you would like as the menu...Polish, Italian, German or Irish! We also have some new items in the kitchen that were donated! We will also be cleaning, painting, and fixing the entire kitchen. Anyone with those tremendous talents is welcome!

JOAD

JOAD (Junior Olympic Archery Development) continues to conduct their great program on Saturday mornings from 9 a.m. - 1 p.m. (9 a.m. - 11 a.m. for beginners; 11 a.m. - 1 p.m. for advanced).

The JOAD Christmas party will be on December 27.

Range Training:

Mike Carvelli and team will be conducting classes on the proper methods for cleaning your firearms and the correct methods to carry concealed properly and undetected. Stay tuned... dates TBD.

What's new at the Club? (It might be easier to ask what's NOT new at the Club!)

- We have a beautiful new epoxy floor in the Clubhouse. (Although the epoxy coating is very durable, please refrain from dragging things on the floor.)
- The asphalt apron at the end of our driveway on Clinton has been re-paved.
- We have a new, and wider, doorway and door from the main area to the bathroom hallway.
- The bathrooms are being remodeled.
- We have new-to-us (slightly used) refrigerator, stove, and dishwasher that were donated to the Club!!!
- The brass footrest for the bar has been polished to a brassy shine.
- Many repairs have been made to the maintenance building to secure it from further weathering.
- Our grills have been rebuilt with new burners.
- The beverage machine in the Clubhouse has a new permanent "dolly" underneath it so it won't gouge our floors when moved.
- Lots of tree trimming on our beautiful 38 acres

This is YOUR Club. Thank you to everyone who keeps it looking and running great!

PISTOL NEWS!

Winter Leagues- for more information, visit alliedsportsmen.com and click on the Pistol drop down.

Join the Double Tap League!

A fast, fun, self-defense-style shooting course where you'll move through barriers, hit the "bad guys," avoid the "hostages," and test your accuracy and speed. Start in surrender position, draw on command, and see how you stack up! Want updates or practice times? Email

ascdoubletap@gmail.com to join the mailing list.

PPC:

Originally designed to shoot with a revolver, but semi-automatic handguns are welcome too! Draw from the holster and shoot through timed single- and double-action stages from a variety of positions, including right-hand, left-hand, standing, kneeling, and prone.

IPL:

Shot at 50 ft. and following a bullseye-style format, participants can use any range-approved caliber, shooting one-handed or two-handed. No pistol or permit? Bring a .22 rifle and join the rifle division.

Open Shoots & Family Nights:

Practice your shooting skills from the benches. Open to all skill levels and a great way to meet fellow shooting enthusiasts! Sunday & Thursday open shoots start at the 50 foot firing line, and will move up to 7 yards after about 45 minutes. Family Night Open Shoots are from the 50 foot line only.

What's the difference between Open Shooting & Family Night events?

Family Night hosts a pot-luck style snack/meal after shooting concludes, but the shooting format is exactly the same as an Open Shoot. While our regular Open Shoot events are also welcoming to shooters of all skill level, it's a great event to bring someone who might be apprehensive/intimidated about shooting around experienced shooters-safety and fun are the two main priorities-it's a judgment free zone.

CLUB FINANCES

As December is when we close out the finances for 2025, we thought it would be a good time to communicate some key expense numbers that we watch from year to year. The numbers below are from 2024. Total Expenses were \$60,750. Our three biggest expenses were utilities \$12,060, insurance \$15,300, and taxes \$10,050. Those three are almost equal to the membership dues we received that year. No, there is no intent to raise dues anytime soon! This simply points out the importance of our fundraisers and functions to our financial health.

We had great success with our gun raffle, chicken BBQ, and meat/basket raffle this year. We strongly encourage your continued help and support of all our functions and fundraisers in 2026. We will communicate the 2025 numbers in a future meeting. Thanks for all your help in 2025. Have fun and enjoy our Club!
