Hello Members,

We will have an important vote at the membership meeting on June 10 about our next gun raffle.

We must decide if we want to continue with the virtual raffle with a daily prize or return to an in-house raffle with floor prizes and a basket raffle. We will discuss both options at the meeting. We will also be voting on a February or April date for the raffle and the ticket cost of \$20 or \$25.

We want max participation for the vote because one option will net us more money but will require all hands to pitch in and work to make it successful. Don't let someone else speak for you. Let your voice be heard.

Sam Austin, President
