DID YOU KNOW?

Based on an entire year (2025) our operating expenses - utilities, taxes, insurance, day to day repairs and maintenance etc. -- **it costs \$165.68 per day to run the club.** Our dues do not cover the cost of daily operations. However, we have an awesome membership. So many dedicated members pitch in to do regular repairs and extra projects to save us money. We also have an excellent Finance team in Arleen Holmes and Gary Wessel who keep us informed and manage us fiscally. Thank you to all who volunteer to make this the best club in Western New York!
