

Fellow Allied Sportsmen Members

I'm Fred Weymer . As a current Board Member, I would like to maintain my position and am seeking re-election.

In the Club over 10 years as a member of Allied Sportsmen I have worn many hats. Currently I am on the Board of Directors, chair Double Tap, co-chair Independent Pistol League , as well as lead our Annual Range Redo. Many of these projects are necessary to keep the Range running safely; replacing ceiling tiles, removing lead, and rehabbing the backstop are just a few. I can usually be found in the background at meetings and events generally helping wherever needed.

One of my greatest enjoyments in life is being one of the forces in the background that helps to move Allied Sportsmen forward.

Thank You, I Love This Club.

Fred Weymer
